FISCAL IMPACT	<p>None. The Little Rock Ambulance Authority d/b/a MEMS is self-sufficient.</p>	
RECOMMENDATION	<p>Approval of the resolution.</p>	
BACKGROUND	<p>MEMS, thorough the Little Rock Ambulance Authority, has entered into Interlocal Agreements with various local governments since 1986. In 1987, MEMS entered into an Agreement with the City of North Little Rock, Arkansas, to have the exclusive right to provide Ambulance Services within the City of North Little Rock. These Interlocal Agreements do not increase ambulance rates for Little Rock citizens - everyone pays the same rates. It is anticipated that the North Little Rock City Council will approve the extension of this Interlocal Agreement. This resolution authorizes the Mayor to execute the agreement on behalf of the City.</p>
